

GENERALS (GBH)

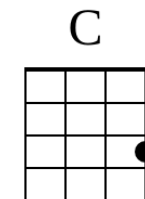

A/// C/ G/ [X 4]

This means war [on 4th one]

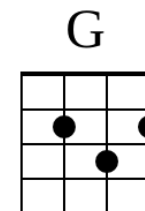

A/// C/ G/ [X 4]

A/// C/ G/
 Lead you into victory, hear the generals say
 Never look behind you, with you all the way
 Go to bed early, conserve your energy
 Tomorrow we'll be fighting with our enemy

E/// E/// E/// E///

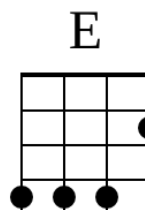

A/// C/ G/
 Polish your boots, clean your gun
 Killing those bastards will be a lot of fun
 Take no prisoners, kill them all
 Start to march when you hear the call

E/// E/// E/// E///

--CHORUS X 2---

A/// C/ G/
 Britain needs you
 Britain needs you
 Britain needs you to die for her

A/// C/ G/ [X 4 Chunking the A]

A/// C/ G/
 March into victory, march in the mud
 Fight for freedom, fight in the blood
 Dead bodies all around, told to carry on
 Death is not right, war cannot be won

E/// E/// E/// E///

--CHORUS X 2---
