

LONG DISTANCE LOVE (MANUFACTURED ROMANCE)

A/// E/// X 4

A/// A/// D/// E///

I saw your suitcase on the stairs

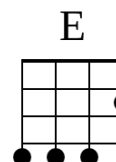

A/// A/// D/// E///

And your tickets to New York for a one way fare

A/// D/// E///

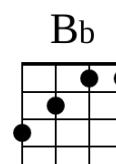

You packed your job in yesterday

A/// A/// D/// E///

This time tomorrow you'll be a thousand miles away

---CHORUS---

Bb/// Bb/// F#m/// F#m///

And I didn't even know your name

Bb/// Bb/// F#m/// F#m///

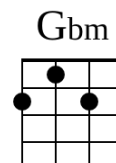

And I never asked so I guess on that count I'm to blame

Bb/// B/// F#m/// F#m///

Two floors below me, you didn't know me

F#m/// F#m/// A/// E///

But from a distance you were mine

A/// A/// D/// E///

You got in the cab outside

A/// A/// D/// E///

You hadn't slept much I could tell that you were tired

A/// A/// D/// E///

You smoked a Russian cigarette

A/// A/// D/// E///

Soon you'll be waiting to get on board that west bound jet

---CHORUS---

D/// D/// Dm7/// Dm7/// A/// A/// E/// E///

D/// D/// Dm7/// Dm7/// A/// A/// F#m/// F#m///

F#m/// F#m/// E/// E///

A/// A/// D/// E///
I found a letter on my bed
A/// A/// D/// E///
I knew who it was from before it was read
A/// A/// D/// E///
It was addressed to the girl upstairs
A/// A/// D/// E///
It said to the one who never ever seemed to care

Bb/// Bb/// F#m/// F#m///
And I didn't even know your name
Bb/// Bb/// F#m/// F#m///
And I never asked so I guess on that count I'm to blame
Bb/// Bb/// F#m/// F#m///
Two floors above me, you didn't love me
F#m/// F#m/// A/// E///
But from a distance you were mine

A/// E/// A/// E///
A/// E/// A/// E///
