[BASS RIFF X 2]

E/// D/// A/// A/// X2

E/// D/// A///
 I'm in such a fuckin state I don't wanna see your face

A///
 Get the fuck off my case what you gonna do

E/// D/// A///
 Feel my heads gonna crack DSS on my back

A///
 All sides on attack so fuck you

E/// D/// A///
 So you had a fucked youth yeah think you saw the truth

A///
 Anger growing more acute blame your family

E/// D/// A///
 Things will always be the same swallow pride with the pain

A///
 When you go against the grain like you go and do

E/// G///
 Frustration - alienation

A/// A///
 My frustration - fuckin with a no win situation

E/// G///
 Frustration - alienation

A/// A///
 My frustration - fuckin with a no win situation
