

ONE IN A MILLION - THE PUKES

G/// G/// G/// !!!

C/// G/// F/// C///

You can count your true friends on the fingers of one hand

C/// G/// F/// C///

Keep em close beside you then you're never on your own

C/// G/// F/// C///

When you find your soulmate, the one who understands

C/// G/// F/// C///

The way you think, the way you feel, the way want to live your life

C/// G/// F/// C///

(You've found) one in a million, a rebel in a world of grey

C/// G/// F/// C///

One in a million, you do things your own way

C/// G/// F/// C///

(You are) one in a million, a rebel in a world of grey

C/// G/// F/// C///

One in a million, you do things your own way

G/// G/// G/// !!!

C/// G/// F/// C///

Alone at school you were the first to stick up for me

C/// G/// F/// C///

A kindred spirit in a sea of hostility

C/// G/// F/// C///

You stand up tall and never take a backward step

C/// G/// F/// C///

You live your life the way the way you want, no compromise no turning back
