[Acoustic uke]

F/// Dm/// C/// C///

F/// Dm/// C/// C///

F/// Dm/// C/// C///

F/// Dm/// C/// C///

F/// Dm/// Bb/// Bb///

F/// Dm/// C/// C/// C/// C///

F/// Dm/// C/// C///

I see you on my way to work

F/// Dm/// C/// C///

Mysterious a voice I've never heard

F/// Dm/// Bb/// Bb///

I cross the street to make a show

F/// Dm/// C/// C///

The peacock struts but you will never know

F/// C/// Bb/// Bb///

FOR YOU OOH OOH I FELL

F/// C/// Bb/// Bb///

FOR YOU OOH OOH I FELL

F///C/// Bb///Bb///

FOR YOU OOH OOH OOH OOH I FELL

F/// F/// C/// C/// C/// C///

FOR YOU

F/// Dm/// C/// C///

I feel your body close to mine

F/// Dm/// C/// C///

Two seats away it might as well be miles

F/// Dm/// Bb/// Bb///

I wait at bus stops in the snow

F/// Dm/// C/// C///

Your eyes catch mine I feel your inner glow

[CHORUS]

F///C/// Bb/// Bb///

Nobody you know

F/// C/// Bb/// Bb///

I'm nobody you know

F///C/// Bb/// Bb///

Nobody you know

F/// Dm/// C/// C/// C/// C///

I'm nobody you know

F/// Dm/// C/// C///

I look at you reflected in

F/// Dm/// C/// C///

The window up above it's dark again

F/// Dm/// Bb/// Bb///

In two more stops you'll disappear

F/// Dm/// C/// C///

I say hello and smile but you don't hear

[CHORUS]

[DRUMS N BASS for 8 bars]
