

ZERO HOUR - THE PUKES

D// D// A// A//

D/// D/// D/// D///
She worked all week in a dead end job with nothing much to show
G/// G/// G/// G///
After rent and the bills are paid she still can't make ends meet
A/// A/// G/// G/// D///
And now she's sitting there a prisoner waiting for the phone to ring
D/ A/ D/// A///

D/// D/// D/// D///
On the edge it don't take much to push her to the brink
G/// G/// G/// G///
Another fine for a yellow line the kids won't eat tonight
A/// A/// G/// G/// D///
I see the jackals circle in the dead of night waiting for a bone
D/ A/ D/// A///

D/// A/// G/// G///
ZERO HOUR ZERO POWER CONTRACTED HER LIFE AWAY
D/// A/// G/// G///
ZERO HOUR ZERO POWER TOOK AWAY HER DIGNITY
Bm/// Bm/// A/// A///
(Gimme gimme gimme gimme a living wage)

D/// D/// D/// D///
She took a loan from the smiling face on her TV set at home
G/// G/// G/// G///
She saw the interest rate that was hers and hers alone
A/// A/// G/// G/// D///
It's been a week or two and now the money's spent and the threats begin
D/ A/ D/// A///

CHORUS

D/// A/// G/// G///
