

**Exmas - THE PUKES**

[ska strum]

**D/// E/// G/// D///**

**D/// E/// G/// D///**

[CHORUS - straight strum]

**D/// G// C**

Why've I got my ex for Christmas

**D/// G// C**

He's the ghost of Christmas past

**D///**

He's come round to see the kids

**G///**

Now I can't get rid

**C/// A///** [ska strum starts here]

Why've I got my ex for Christmas

[ska strum]

**D/// E///**

Him and his beer belly

**G/// D///**

Sat in front of my telly

**D/// E///**

Hogging the remote control

**G/// D///**

Snoring through Home Alone

**D/// E///**

Eating all my mince pies

**G/// D///**

It's just like the old times

**D/// E///**

He's drunk and the kids are bored

**G/// D///**

I remember why we got divorced

---CHORUS---

**D///**                      **E///**

He's always late of course

**G///**                      **D///**

Hungover from the night before

**D///**                      **E///**

He's had a row with Aunty May

**G///**                      **D///**

He'll still be here on Boxing Day

---CHORUS---

**D///**                      **G// C**

You put the ex into Xmas

**D///**                      **G// C**

You bring the past to the presents

**D///**

Yes it's the forgiving season

**G///**

But you're an ex for a reason

**C///**

Welcome as a soggy sprout

**A///**

Shut the door on your way out

**D/// G// C X 8** [ska strum]

La la la la etc

---CHORUS x 2---
