C/// C/// **G/// G///** **Am/// Am///**

You with the sweetheart smile, don't mess up your life

Em/// G///

To fit in with the crowd

Am/// F/// G/// G///

Cos you're more than OK as you are

You don't need to change yourself to fit in with those other girls

C/// Am/// G/// G///

My heart beats but inside I'm beaten

C/// Am/// G/// G///

I'll just keep on hoping and waiting

C/// Am/// G/// G///

I'll pick up the pieces I promise

C/// Am/// G/// G///

Until then I'll just be here waiting

C/// C/// G/// G///

You used to ride a bike

C/// C/// **G/// G///** **Am/// Am///**

You with the big ideas, be strong and be yourself

Don't be afraid to ask for help
